Senator Ellender's tentative itinerary was reported in Deptel of July 19 sent to Jerusalem by pouch. It does not list Israel by name, but indicates arrival in Beirut from Karachi on October 7, followed by visit to Holyland via automobile, with departure Beirut for Istanbul October 12, then proceeding to Rome. The Senator is traveling alone, planning inspection of missions and foreign programs in Europe, Near and Far East. He is especially interested in USIA and ICA activities and will review their programs. He desires information on country programs, costs, etc. and will visit projects and take pictures where possible. Agricultural programs are prime interest, visiting projects and meeting agricultural leaders of the country.

Mission should have reply prepared to questionnaire on ICA operations which Senator Ellender had sent for him directly from Washington to USOM's. Guidelines for replying have been sent you in ICATO CIRC X-78. Senator expects to receive reply when visiting country concerned.
